Dear Court Clerk,

I applied for an compassionate release over 6 months ago, and haven't recieved any response or reply at all.

I'm trying to find out if there is anything in your power to let me know if there has been a decision in this matter?

I sure would appreciate any information that you can give me regarding my statis.

I'm forty seven yrs old and have several health issues that warrant a earlier release simply because I could die here from those diseases.

The punitive aspect of my sentence I think has been done - I have 208 months in on a 300 month sentence, with out good time, With good time I only have approximately 60 months left.

Due to the on again + off again response to covid, and the poor health care in this particular F.C.I. I feel there is a chance I may not make it home, I also feel in light of all the programs the "completed" over 20, that this Particular Judge may want me to come home, and not want
